S. SIRI JAGAN, J.

W.P.(C)NO. 17034 OF 2007

DATED THIS THE 5th DAY OF JUNE, 2007

JUDGMENT

The petitioner wrote the First year MBBS Examination of Mahatma Gandhi University for the year 2005-2006. However, she didn't get the marks which she expected. Therefore the petitioner requested for scrutiny and revaluation of the answer papers. The petitioner complained of delay in completion of the scrutiny and revaluation process.

2. The learned standing counsel appearing for the respondents submits that the University would require two more months time to complete the revaluation process.

3. Having heard both sides, I feel that the respondents should complete the revaluation process at least within one month and the scrutiny within a period of one week.

In the above circumstances, this writ petition is disposed of directing the respondents to complete the scrutiny of the petitioner's answer papers within one week and revaluation process within one

month and publish the results thereof within one month from the date of receipt of a copy of this judgment.
